

src/tasks/pointing/Intento.cpp

```
graph TD; A[src/tasks/pointing/Intento.cpp] --> B[Intento.h]; A --> C[GL/glut.h]; A --> D[iostream];
```

The diagram illustrates the dependencies of the file `src/tasks/pointing/Intento.cpp`. It is represented as a central grey box at the top. Three blue arrows point downwards from this box to three separate white boxes below it. The first arrow points to `Intento.h`, the second to `GL/glut.h`, and the third to `iostream`.
